Contract Task Order No. 165

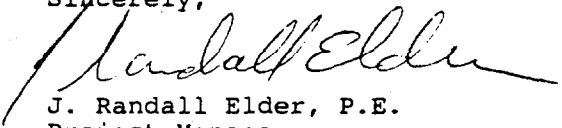

Subject: Draft Site Cleanup Plan
Sites 1 through 5, Site Characterization and Evaluation
Naval Aviation Depot, MCAS Cherry Point, North Carolina

Dear Mr. Wells:

Find enclosed (5) copies of the Site Cleanup Plan for Sites 1 through 5 at the Naval Aviation Depot, MCAS Cherry Point, North Carolina. At your request, distribution has been made directly to the following people: Renee Henderson (MCAS Cherry Point), Gena Townsend (USEPA), and Linda Raynor (NC DEHNR).

Please note that due to the compressed schedule for this project comments on the draft plan must be received by May 24, 1994 in order to implement any comments in the final plan and report. If you have any questions on this submittal, I can be contacted at (412) 921-8424.

Sincerely,

J. Randall Elder, P.E.
